Ankara Social Sciences University Northern Cyprus Campus

The Northern Cyprus Campus of our university, which aims to become a brand in the world in the field of social sciences, provides education in accordance with the legislation of the Republic of Turkey Higher Education Council (YÖK), depending on our central campus in Ankara. Its diploma has the same validity as the diploma awarded in Turkey and recognized all over the world.

ASBU-TRNC aims to provide world-class, quality education in Northern Cyprus with its experienced Turkish and foreign teachers and the strong administrative and academic support of its Ankara central campus.

The main goal of our campus is to produce objective and original information by making use of this information instead of transferring the information produced in the world with small contributions. To produce original solutions to the problems in different fields in the world; is to train well-equipped and competent experts to ensure this.

Facilities of the University

Our campus, which is located in a large and spacious environment between Ercan Airport and Nicosia, has a large number of student societies, a decent library, canteen, free shuttle services to Nicosia every hour, social and cultural events, frequent conferences, panels, symposiums, etc. It has an environment where students can have a pleasant time with its academic activities.

Our campus is in a distinguished position in the field of social sciences with its 19 student clubs, competent teaching staff and the advantage of being a university of the Republic of Turkey. Panels, symposiums, conferences, workshops, etc., held on the campus with the participation of distinguished scientists from Turkey, Northern Cyprus and other countries who are experts in their fields. many academic activities are carried out. In addition to their education, our students are provided with additional knowledge and experience with these activities that they can participate in.

Our campus currently has the following programs:

1. Economy
2. International Entrepreneurship
3. International Trade and Logistics
4. Law
5. Psychology
6. Special Education Teaching
7. Theology
8. English Language Teaching
9. Guidance and Psychological Counseling

Note: In accordance with the International protocol signed between the Republic of Turkey and the Turkish Republic of Northern Cyprus, the diploma to be awarded to our graduates is approved by YÖK and has international validity.
